

# WE TAKE OUR HERD SIRE SELECTION VERY SERIOUSLY AND WE FEEL EACH OF YOU SHOULD TOO!

## ... THE GENETIC TEAM YOU CAN COUNT ON!

We literally travel thousands of miles each year, attending sales and visiting fellow breeder operations in search of the next generation of elite, sound genetics. Once a Gibbs Farms herd sire is selected, he is then progeny tested through the ASA Carcass Merit Program, our own herd, and numerous other test herds we have established across the country.

**Please visit our website for complete information on all Gibbs Farms herd sires!**

Semen orders may be placed either of the following ways . . .

- call or email Gordon Hodges at Gibbs Farms
- contact any ALLIED employee or representative
- order direct online from ORigen

Breed leading calving ease, performance, maternal, and carcass . . . there is no surprise Alumni ranks in the elite top 1% of the breed for API and TI. He is an absolute "must use" young sire that has the ability to add superior genetics and added value to any program.

### S D S ALUMNI 115X

Homozygous Black

SimAngus

Sire: HOOKS SHEAR FORCE 38K

Mat. Sire: NICHOLS EXTRA K205

Owned with: Cow Camp Ranch Lost Springs, Kansas

#### SPRING 2012 ASA MULTI-BREED SIRE SUMMARY
